The Empowering India-2023 & Concurrent Show 'India Organic & Horti Expo' being organized by Bharat Events Pvt. Ltd. at Maniram Dewan Trade Centre, Betkuchi, NH-37, Guwahati -35 on 18,19,20 August 2023.

An Exhibition on the Impact of Government Initiatives, Water Resource & management, Art and Culture, Local Artisans, agriculture, horticulture, food processing, livestock, rural development, infrastructure, energy, social and development. A large scale participation from leading industries and various central ministries and institutions is expected. The industries would display latest products & technologies and discuss new ventures. Large, medium and small companies of the region and also the State Governments would exhibit their programs, schemes and offerings

The proposed Exhibition, comprising of Agri and Rural Expo, Industrial Expo & all India Development Meet. This will provide an opportunity for the region to showcase its potential and opportunities for the rest of the country. This will offer what it has to, for partnering & engaging to explore the opportunities & participating in the growth & development of the region in general. The three day meet will bring a large number of national & international stakeholders from the Industry, Institutions, Government and the development sectors to showcase the programs & schemes, products, technologies & services; and deliberate upon the issues & opportunities for the way forward. CARD envisions to provide exposure to farmers by sharing successful agribusiness models and sensitize them with policies, schemes, technologies & markets. Rewarding evolution will be evident when farmers themselves become role models for fellow farmers.

OBJECTIVE

To enhance skill and aware youth about various employment opportunities and the projects taken up by the government as well as private sector for socio-economic growth of the nation. It focuses on distributing knowledge among the people regarding various opportunities and innovations in different fields. Would serve as the partnership and networking platform for different stake-holders. Would create better awareness and offer networking platform to the industries and investors about the potential, business opportunities available and the scope for investment and growth. Would provide valuable inputs to the State Governments for formulating appropriate agro, industrial and development policies aimed at inviting investments and partnerships, enhancing competitiveness and accelerating growth. Would provide the youth, women NGOs and development agencies, the interaction opportunities with the national level institutions, industries, experts and officials. Would provide exposure to farmers about latest agri-input products, technologies, farming practices, government schemes, agri, horti, animal husbandry and rural projects, marketing and post-harvest management.
