ABOUT EXPO:

The Government Development Schemes Expo-2024 and concurrent show '**Organic Agricultural & Dairying Industry Expo-2024**' being organized by Bharat Events Pvt. Ltd. to be held on **07-08-09 Feb. 2024** at **Dilli Haat, Janakpuri, New Delhi**

The 3 day exhibition is being organized with focus on various public welfare and development schemes of central and state governments, Education, Science & Technology, Health, Environment, Culture, Tourism, Skill Development, Power, Solar Energy, Women & Child Development, Women Empowerment, Finance, Rural Development, MSMEs, Transports, Information and Technology, Boards, PSUs Sectors, Research Institutes, Insurance, Banking Sectors, Petroleum & Natural Gas, Defence, DoNER, Mines & Coal sectors, Handlooms, Handicrafts, etc. A large-scale participation from various central and state government ministries and departments is expected. The government departments would exhibit their achievements & development schemes.

The Government Development Schemes Expo-2024 will provide an excellent platform for all the central government ministries and departments and union territories to showcase their public welfare schemes and achievements. The expo also provides an interactive platform for the various government departments, boards, research institutes, PSUs, autonomous bodies, corporations, banks, finance institutes etc.

OBJECTIVES:

The Main objective of the 'Government Development Schemes Expo-2024' and concurrent show to enhance skill and aware youth about various employment opportunities and the projects taken up by the central and state government departments for socio-economic growth of the nation. It focuses on distributing knowledge among the general people regarding various opportunities and innovations in different fields. Would serve as the partnership and networking platform for different stake-holders. Would create better awareness and offer networking platform to the government departments about the potential, opportunities available and the scope for growth. Would provide valuable inputs to the central and State Governments for formulating appropriate government development policies aimed at inviting investments and partnerships, enhancing competitiveness and accelerating growth. Would provide the youth, women NGOs and development agencies, the interaction opportunities with the national level institutions, industries, experts and officials. Would provide exposure to general public about latest government schemes, education, health, science and technology, skill development, women empowerment, culture, tourism, transport, coir products, and rural developments schemes etc.,
